## CHILDREN'S MIRACLE NETWORK®

Each day, over 4,900 children will receive medical treatment for various diseases, sickness and injuries at **Children's Miracle Network** member hospitals across Canada. From those who suffer childhood afflictions such as asthma and broken bones to the ones fighting bigger challenges like birth defects or cancer, children's hospitals provide comfort, treatment and hope for thousands of kids each day.

Because of your support, the thousands of sick and injured kids treated at **Children's Miracle Network** member hospitals will continue to receive the care they need.
